### **Our Mission**

Fellowship of the Spirit West is a gathering of men and women who come together to celebrate their recovery from alcoholism, drug addiction and the effects of these diseases.

To show others precisely how we have recovered is the main purpose of this conference. We have found an answer to questions that suffering men and women ask themselves: "What's wrong with me?" and "What do I have to do?"

Fellowship of the Spirit West meets annually to provide an opportunity for men and women from all over the world to come together to share their experience, strength and hope.

Those who attend Fellowship of the Spirit West return home better prepared to receive those who come looking for a better way of life.
